Furlong Flooring®
First choice flooring for every room

Urban
Product Specification

Urban laminate flooring is a top-quality 8mm laminate that offers a perfect combination of price, decors and availability. The market-leading Uniclic® click system is incorporated into the flooring, making the installation process quicker and simpler. Urban comes in 8 modern decors that give a hard-wearing and clean finish, making it ideal for use in a variety of rooms and environments. The laminate can easily handle most subfloors and is resistant to temperature fluctuations, making it perfect for both domestic and commercial settings. Urban laminate flooring has also achieved the Blue Angel environment certification, meaning it meets high standards for environmentally friendly product design. Additionally, the range is resistant to stains and comes with a 15-year domestic and 10-year commercial warranty.
