Why choose APEXA

We work with new build developers ranging from small private developers to regional and national PLCs. We also work with multiple Housing Associations, replacing flooring to tight deadlines in void properties and also on their new build developments.

We offer outstanding quality, unbeatable choice, and solutions for every budget. We are committed to being the leading UK-wide supplier of all types of flooring, providing a range of solutions for every room, backed by our commitment to quality.

We proudly manufacture carpets in our UK manufacturing facility. That means you can be confident about the quality of our products and the reliability of our supply chain. This manufacturing control also allows us to develop innovative products and solutions that improve fitting quality and carpet life, giving you even more value for money.

APEXA

Sustainability

Discover our sustainable flooring collection, meticulously crafted for elegance and eco-friendliness. Our polyester carpets are made with 100% recycled yarn, redefine luxury without compromising affordability. Plus, our carpets are backed by a substrate of 50% recycled materials and manufactured using 100% renewable electricity.

For a natural touch, explore our real wood flooring, ethically sourced from sustainable UKTR suppliers and compliant with UK Timber Regulation. Our vinyl and LVT options boast up to 50% recycled materials and are manufactured in ISO 14001-certified facilities, promoting eco-friendly practices.

Elevate your space with our laminate flooring, some ranges are certified by the prestigious Blue Angel label and meeting CARB Phase 2 standards. Experience elegance with a conscience—choose sustainable flooring.

Quality

We partner with all customers to form an integrated supply chain to ensure all projects are completed on time and to budget. Our product and service offer is designed to meet and exceed each customer's expectations:

- We listen and understand your flooring needs.
- We offer a vast range of bleach-cleanable and mothproof carpets, and our non-carpet ranges are easy to maintain and are designed to last for years.
- We pride ourselves on our product quality and include vital warranties to give peace of mind.
- Our warranties are industry-leading because we're completely confident about the quality of our flooring solutions.

Housing

We understand that the right flooring is the foundation of any beautiful home. As your first choice for flooring solutions, we offer a wide range of on-trend, ethically sourced options to suit every room and style preference.

From ultra-soft carpets that make bedrooms cosy sanctuaries to engineered wood that adds elegance to living spaces, our diverse flooring collection is made for living. We provide flooring that not only looks stunning but is also compatible with underfloor heating, ensuring comfort in every corner of your home.

Our extensive range includes inspired designs in fashionable colours, allowing homeowners to express their own unique style. Whether you're seeking luxury for a bathroom, durability for high-traffic areas, or warmth for a living room, we have the perfect solution.

Let us help you turn your house into a home with our expertly crafted flooring options.

Two bedroom apartment

Cost-effective, high-quality flooring solutions for two-bedroom apartments must not compromise on style. They must also appeal to first-time buyers.

Our range offers long-lasting performance and low maintenance, with practical options for every room: noise-reducing LVT for living areas, slip-resistant vinyl for kitchens, soft carpets for bedrooms, and water-resistant luxury vinyl tiles.

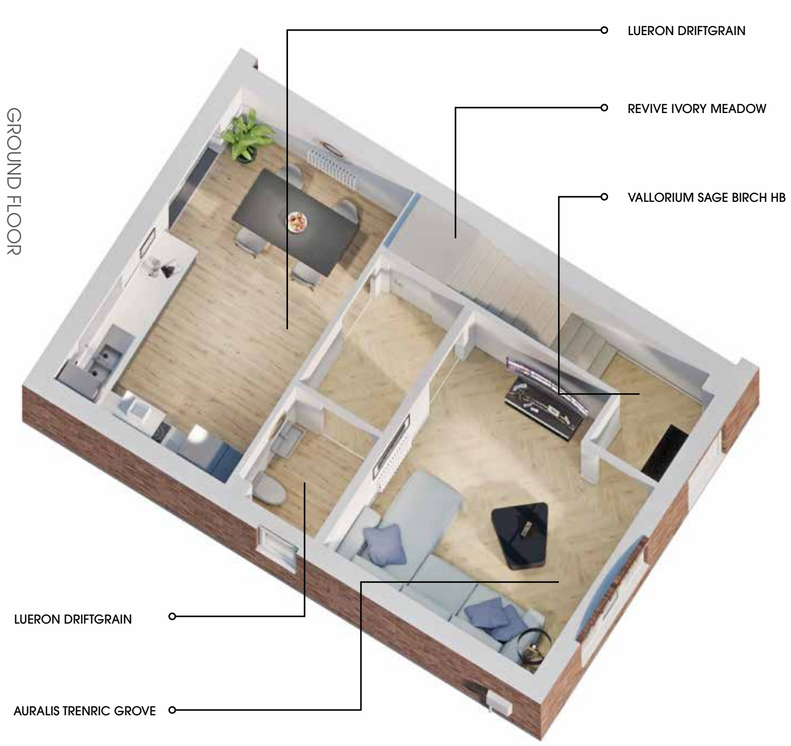

APEXA

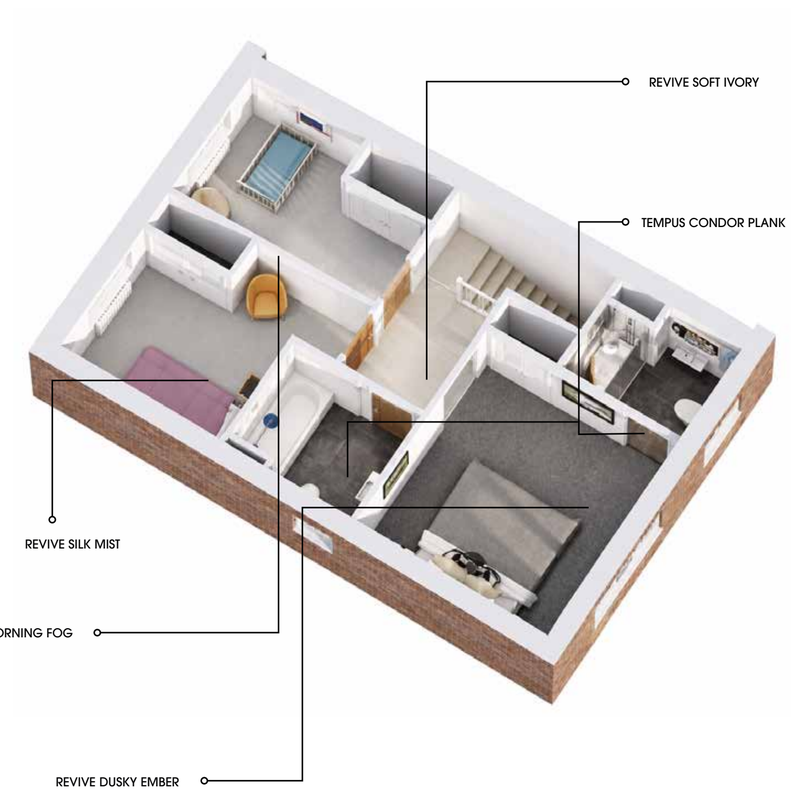

Three bedroom house

For a growing family in a three-bedroom home, balancing comfort with practicality has never been more important. Our flooring range is made for stylish living while remaining easy to maintain and robust for years to come. From plush carpeting that creates a relaxing bedroom sanctuary to the enhanced performance possibilities of laminate and LVT in living areas, and the great looks and durability of vinyl in bathrooms and kitchens, we can elevate spaces with solutions that set the standard.

GROUND FLOOR

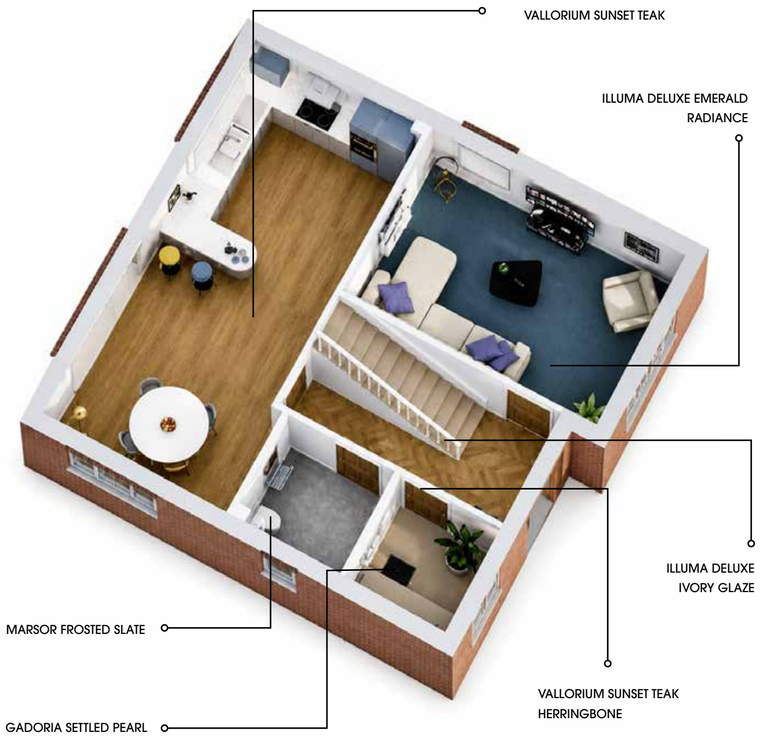

FIRST FLOOR

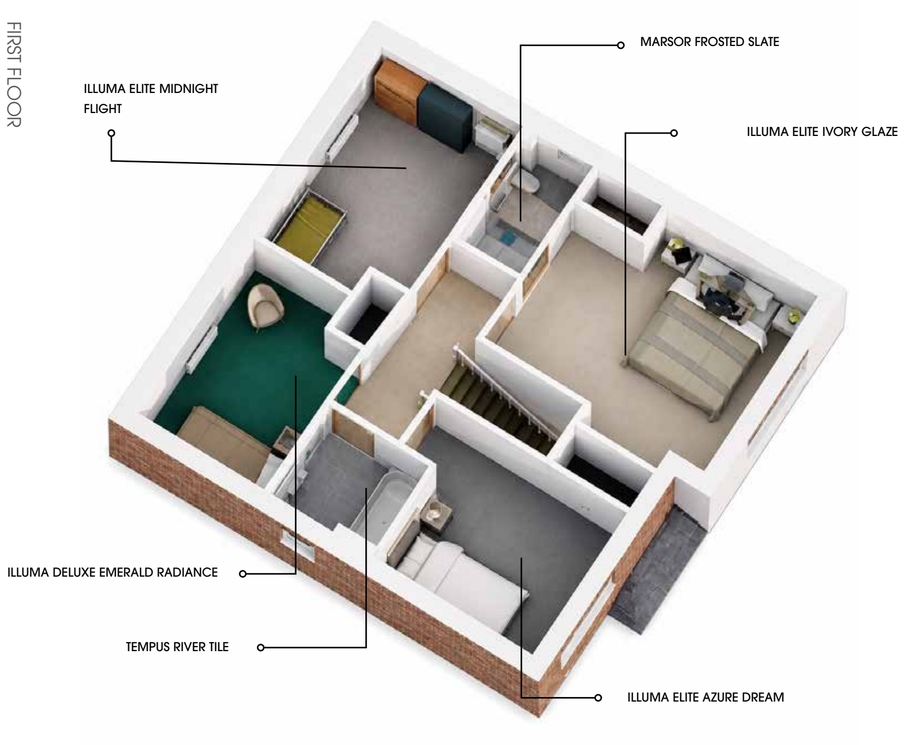

Four bedroom house

Choosing flooring for a four-bedroom family home requires careful consideration of style, durability, and environmental performance. Standing up to the demands of modern living, our broad range of flooring options - including carpet, wood, laminate, LVT, SPC, and vinyl – can enhance the warmth and character of these busy households.

GROUND FLOOR

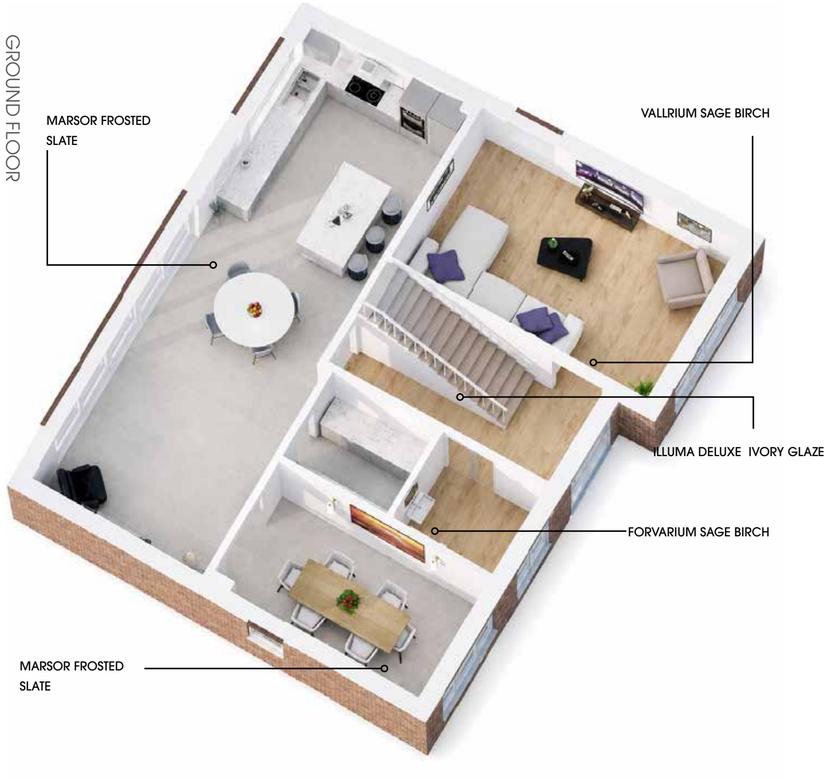

FIRST FLOOR

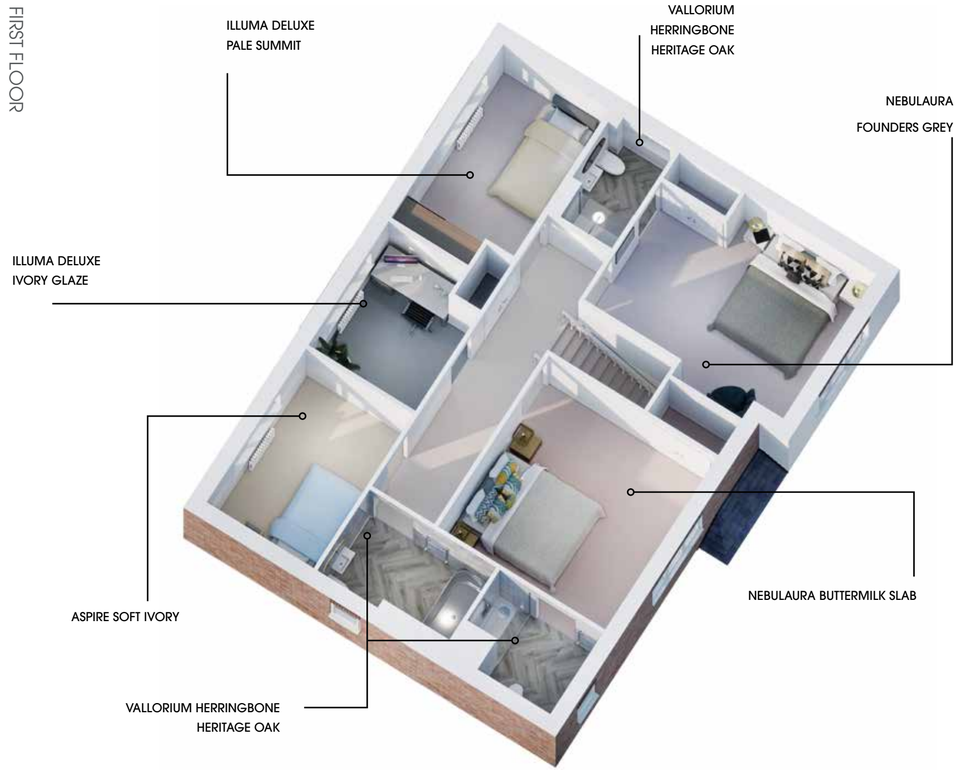

Five bedroom house

When considering flooring choices for a five-bedroom home, Apexa offers a wealth of possibilities to help customers create the look they want, with the finish they need. Whether the look is contemporary or traditional, or a home with young children and pets, our expansive collections come in the latest styles and colours to complement any interior decor.

Are you on the lookout for a carpet that is both stylish and durable enough to withstand the wear and tear of a busy household? The Aspire Elite range is the perfect solution for you. Its tufted construction and two-ply yarn make it extremely robust and resistant to any damage caused by everyday use. Additionally, it is built to be easy to clean, thanks to its 100% bleach-cleanable fibres. With a choice of 12 trendy colours in plain or heather options, you can easily find the perfect match for your home.

Static Citadel APX1411

Aspire Deluxe is available in the same 12 trendy colour options as Aspire Elite.

Its durability and hard-wearing nature make it suitable for any room while adding a sense of style.

Aspire Deluxe is tufted using tenth-gauge machinery and two-ply yarn, making it even more durable. This means that it can withstand anything thrown at it. Like its sister range, Aspire Elite it also benefits from 100% bleach-cleanable fibres and a 10-year wear and stain warranty. This warranty covers any stain except gloss paint, so you can have peace of mind knowing that your carpet will look great for years to come.

Auralis Neraya Sands APX6206

Engineered Wood

All our 12mm plank flooring has a hard-wearing 3mm hardwood wear layer.

It comes in a fantastic range of finishes and decors, and bridges the gap between wood and laminate with Uniclic® fitting.
